

EVENT PLANNER FOR INDIA WATER WEEK 2017 [THEME: WATER AND ENERGY FOR INCLUSIVE GROWTH]

Date (Venue)	Hall No.	Morning Sessions from 10.00 to 13.00 Hrs. with Tea Break from 11.15 to 11.30 Hrs. (on 11 th Oct., 2017, Session will Start at 09.30 Hrs.)		Afternoon Sessions from 14.00 to 17.00 Hrs. with Tea Break from 15.15 to 15.30 Hrs.	
Day 1 Oct. 10, 2017 (VigyanBhawan)		Inauguration by HE President of India Plenary Session [with Presentation on (i) Pivotal Role of Sustainable Development and Efficient Management of Water in Inclusive Growth, (ii) Energy – Social Need and Engine for Economic Growth and (iii) 8 th World Water Forum, Brazil - 2018]			
Day 2 Oct. 11, 2017 (VigyanBhawan)	5	SS-1: The Integrated approach to Water Management: Dutch experiences - (Netherlands)	Inauguration of Exhibition by Hon'ble Minister at 11.00 Hrs. at Back Lawns of VigyanBhawan	S-7: Hydropower – Clean Power	
	2&3	PD-5: Silt Management Strategies for alluvial rivers		S-3: Water and Economic Growth	
	1	PD-1: Addressing the Water-Food-Energy nexus sustainable development and inclusive growth		PD-3: Integrated Planning of Water Resources for Optimal Benefits to the Society	
	4	SS-3: Technology Solutions for the water-energy nexus (European Union)		PD-6: Industrial Water Needs and Wastewater – Issues and Solutions	
Day 3 Oct. 12, 2017 (VigyanBhawan)	6	S-2: Agriculture and Water	LUNCH BREAK (13.00Hrs. - 14.00Hrs.)	SS-2: India-EU Water Forum : Jointly adapting European lessons for Indian rivers (European Union)	
	5	S-8: Renewable Energy Source and Energy Security		S-5: Hydrological Modelling for Planning and Operation for Water Resources System	
	2&3	PD-7: Interlinking of Rivers		PD-13: Role of multiple stakeholders partnership (PPP) in urban water management[Water Digest]	
	1	PD-10: Preparation for Impacts of Climate Change		BS-1 Water Use Efficiency Challenges and Way Forward	
	4	SS-4: Cleaning the River Ganga – From Data to Action (European Union)		PD-2: Smart Cities – Managing Water Issues	
Day 4 Oct. 13, 2017 (VigyanBhawan)	6	S-1: Role of Water and Energy in Rural Transformation	LUNCH BREAK (13.00Hrs. - 14.00Hrs.)	S-4: Safe Drinking Water for All	
	5	S-6: Water Informatics		S-9: Water – From Conflicts to Cooperation	
	2&3	PD-9: Drought Management for Social Security		S-11: Wisely Managing the Precious Ground Water	
	1	PD-12: New Technologies and Approaches for Flood Forecasting and Management		SE-2: Special Lecture on Water for Environment-by Dr. B.P Das	
	4	BS-2: Informed dialogue is key to collaborative development of water resources		SE-1: Ensuring Last Mile Delivery through CADWM Programme	
Day 5 Oct. 14, 2017 (VigyanBhawan)	6	PD-14: Innovations, Applications and Efficiencies of waste water treatment technologies [Water Digest]	LUNCH BREAK (13.00Hrs. - 14.00Hrs.)	VALEDICTORY SESSION	
	5	S-10: Water, Sanitation and Health			
	2&3	PD-11: Role of Women and Youth in Water Security and inclusive growth			
	1	PD-4: Asset Management for Safety and Optimal Benefits from water Resources Structures			
	4	PD-8: PradhanMantriKrishiSinchayeeYojana (PMKSY)			
		Finalization of Recommendations (Office Rooms, IInd Floor)			
S: Seminar (11)		BS: Brainstorming Session (2)	PD: Panel Discussion (14)	SE: Side Event (2)	SS: Special Session (4)
